Mr. Malcolm Dougherty
Director
California Department of Transportation
1120 N Street
Sacramento, CA 95814

Attention: Amarjeet S. Benipal, Acting Division Chief Division of Traffic Operations

SUBJECT: Substantial Conformance with 2009 MUTCD Revisions 1 and 2

Dear Mr. Dougherty:

This letter is in response to the March 21, 2017, letter from Mr. Amarjeet S. Benipal requesting the Federal Highway Administration (FHWA) to find the 2014 California Manual on Uniform Traffic Control Devices (CA MUTCD) in substantial conformance with the National Manual on Uniform Traffic Control Devices for Streets and Highways, 2009 Edition (2009 MUTCD) Revisions 1 and 2.

Per Title 23, Code of Federal Regulations [23 CFR 655.603(b)(1)], FHWA has reviewed the revisions from the 2014 CA MUTCD Revision 1 to the 2014 CA MUTCD Revision 2 and found them to be in substantial conformance with the current 2009 National MUTCD edition.

We look forward to continue working with Caltrans, local public agencies, and the California Traffic Control Devices Committee on needed revisions to the CA MUTCD. This effort results in traffic control devices that enhance the safety of California's roadways for all road users. We commend the effort that Caltrans' Office of Traffic Engineering devotes to achieve this objective.

If you have any questions, please contact Kevin Korth, Traffic Operations Engineer, at (916) 498-5860 or kevin.d.korth@dot.gov.

Sincerely,

For: Vincent Mammano
Division Administrator
